FOR IMMEDIATE RELEASE:

APPLICATIONS DUE THURSDAY FOR SUMMER 'AD'VENTURES II

CHARLESTON -- The deadline to register students for the 1998 Illinois Mathematics and Science Academy's Summer 'AD'Ventures II Program, scheduled for June 21-27 on the campus of Eastern Illinois University, is Thursday, April 30.

IMSA's Summer 'AD'Ventures II is an academic enrichment program for students talented and interest in mathematics and science. Eastern will host students entering grades nine and 10 during a week-long residential experience.

Illinois teachers spend months preparing for the program, organizing curriculum and instruction development activities that emphasize hands-on discovery and integrative study through a field experience with a select group of students from throughout the state.

Illinois students scoring at or above the 90th percentile on local school achievement tests or participants in local gifted education programs and who will be entering the ninth or 10th grades in the fall of the current year are eligible to apply.
